

MEDILINK NORTH OF ENGLAND LTD.

QUALITY POLICY

Medilink North of England is committed to providing the best possible service to all of its customers all of the time. It is company policy to achieve customer satisfaction and to provide a range of consultancy services which are second to none in terms of quality, reliability and value for money.

This commitment to quality extends from the CEO to all members of the Medilink Team, and shall be reviewed on a regular basis for compliance to specified requirements and to ensure a culture of continual improvement throughout the company.

This policy shall be supported by a fully documented quality management system based upon the requirements of the International Standard for Quality ISO 9001 2015. Performance of the quality system shall be monitored by the Finance and Operations Officer for compliance with the requirements of the standard, the review of set targets and objectives for improvement and compliance with all relevant legislation.
