

**THE WORLD'S LARGEST  
TRADE FAIR FOR REHABILITATION  
AND CARE REHACARE 2022**

After a two-year hiatus, REHACARE is back as a live, physical event!

As the leading global trade fair for rehabilitation, prevention, inclusion and care, visitors are eager to return to search for suppliers, experience products first hand and seek out new trends and innovations.

This event has been running annually for 40 years and regularly attracts around 700 global, exhibiting companies. Tens of thousands of global visitors head to the show each year, including distributors, purchasers, public authorities, carers and end-users, as well as professionals from hospitals and rehabilitation facilities.

REHACARE offers a platform like no other for those seeking to expand globally in the sector and maintain relationships with current contacts.

Medilink have organised the UK pavilion at this event since 2005, supporting a varied range of exhibiting companies, many of who were new to global marketing. To book your exhibition stand, please complete the booking form overleaf or contact the team for further information:

All exhibitors are subject to a 250 Euro Media Fee which serves the publishing of exhibitor data in the electronic media, website and possibly other media. This is a compulsory charge from the organisers Messe Düsseldorf and is not included with the above, but will be included on your invoice from Medilink. Exhibition stands must be manned at all times. Messe Düsseldorf can issue penalties for stands that have been prematurely abandoned, of up to 1,500 Euro per stand/exhibitor. This penalty would initially be issued to Medilink as the group organiser but passed onto the respective exhibitor to pay in full.
